Ultimate basic: Clean & current yet not overpoweringly modern. Track arms & T cushions define comfortable smaller-scale pieces that fit in anywhere. Highly flexible 22-piece group. Options abound: sectionals with sleepers, sofas in 2 sizes, armless & "armed" pieces to mix in a setting. Smart idea: Chair & 1/2 Twin Sleeper + Storage Ott = Instant guest room with place for linens. Cool in kid's room for sleepovers. Upholstered in fabric or leather, or slipcovered in fabric.
